FORMULA CONCEPT

POLYPHENOLS

Polyphenols (including phytoestrogen) are plant compounds proven to promote systemic benefits in the body such as digestion, metabolism and and hormonal balance, providing effective relieve of menopause symptoms such as hot flush, night sweat, anxiety and mood changes.

SUITABLE FOR

Woman undergoing menopause

Hot flush
Night sweat

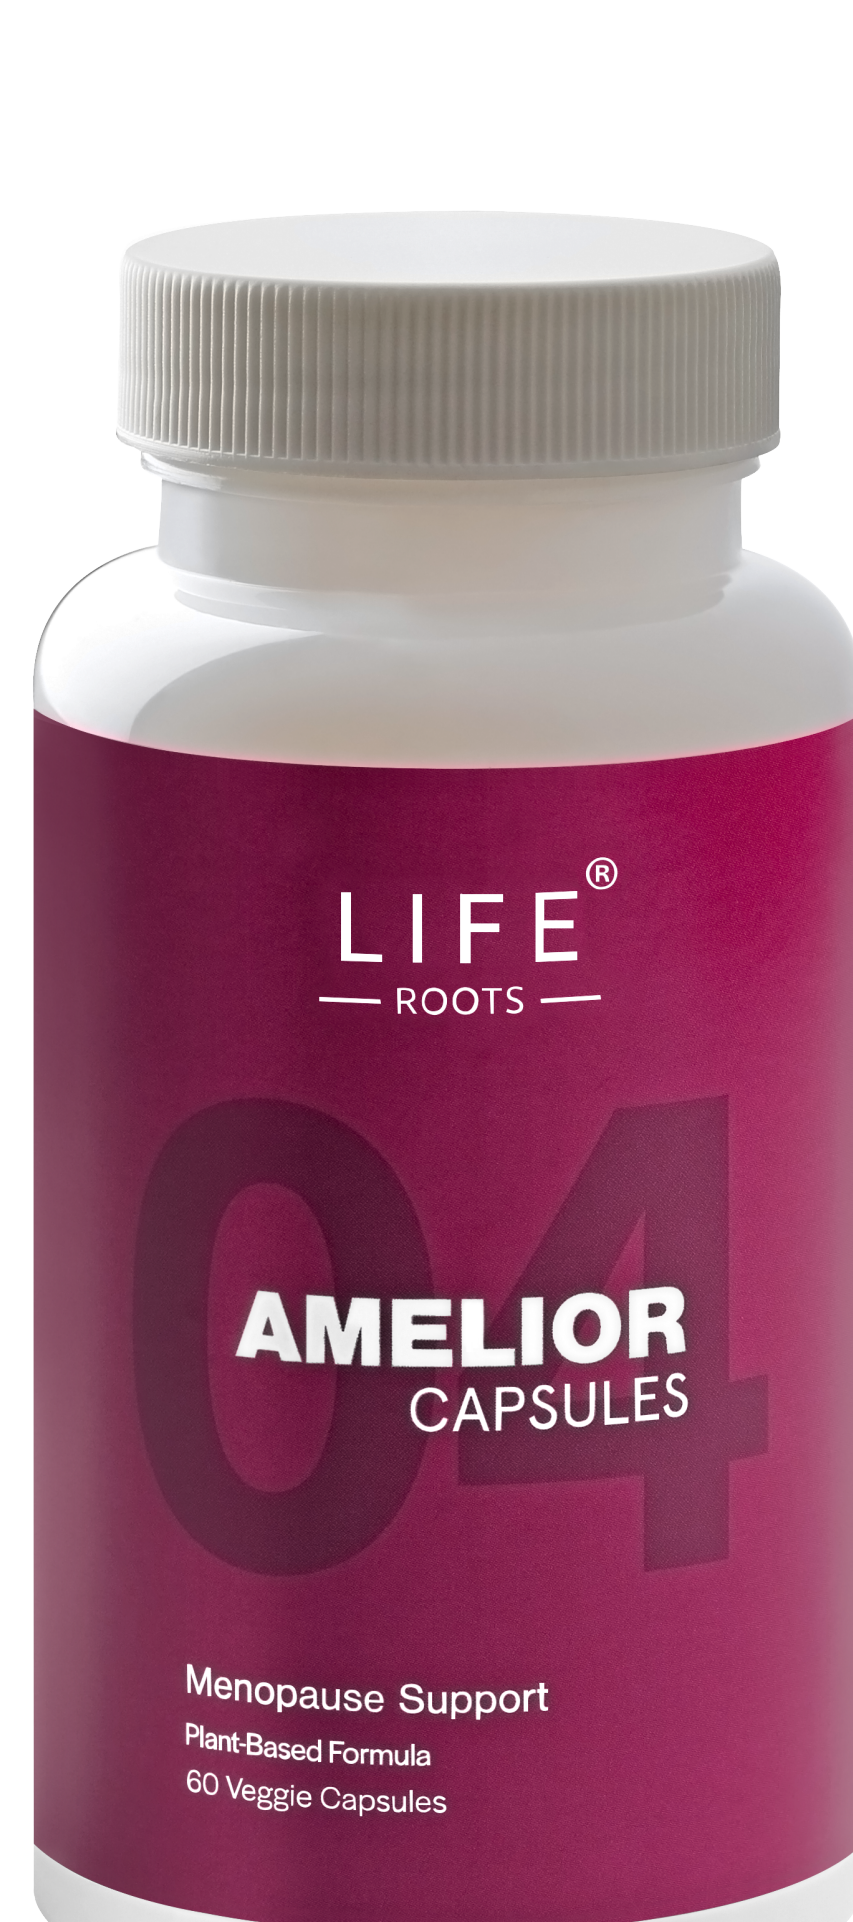

Anxiety
Restless sleep

DIRECTION

One capsule, two times a day for mild symptoms.
Two capsules, two times a day for heavier symptoms.

Caution: In rare cases, black cohosh may harm the liver. For those with liver disorders, on medication, pregnant or nursing, consult a doctor before use. If symptoms persist, stop use and consult a doctor. Keep out of reach of children. This product is not intended to diagnose, treat, cure, or prevent any disease.
